**Smoke Free**

**Bendigo Hospital is a SMOKE FREE site**

## Queuing kiosk information

The new Bendigo Hospital will have an automated queuing system for some patients when they attend hospital for an appointment. These queuing kiosks are located in some department reception areas, for example, Clinics and Medical Imaging. When you arrive you can scan the barcode on your patient letter or type in your name on the touch screen. Patient arrival time and status is automatically processed at the kiosk. Further patient details can be checked upon card-swipe, including Medicare and DVA cards. If your appointment information is incorrect, you will be directed to the nearest reception desk.

## Transport and parking

**Public Transport**  
Bendigo Hospital is a 20 minute walk from the Bendigo Railway Station and buses run regularly past the hospital from this point. Bus stops are located on Barnard Street and Arnold Street. You should visit [www.christiansbus.com.au/public-buses/bendigo-bus-timetable/](http://www.christiansbus.com.au/public-buses/bendigo-bus-timetable/) or phone 1300 734 441 for your individual public transport options.

**Taxi ranks**  
Taxis are available by calling 131 008 and will be able to take you to the main entrance drop off in Mercy Street or the Emergency Department entrance in Drought Street.

**Cyclists**  
Bike racks are located adjacent to the Mercy Street main entrance and Drought Street entrance.

**Patient set down**  
Designated short term patient drop off and pick up areas are located at the main entrance of the hospital in Mercy Street and the Emergency Department entrance in Drought Street.

**Parking**  
On street car parking is located around the Bendigo Hospital precinct free of charge, however, time limits do apply in some areas. Disabled parking is also available around the hospital and is clearly signed. As part of stage two of the Bendigo Hospital Project, a multi storey car park is being built on the old hospital's Lucan Street site and is expected to open in mid-2018.

## Finding your way around in the hospital

If you are unsure or require assistance, please visit the information desk located at the main entrance to the Bendigo Hospital. Alternatively, you can ask any of our friendly volunteers who are identified by a red shirt, or any staff member.

The internal street of the Bendigo Hospital runs from south to north on the ground floor. Most public services and facilities you will need to access are available off this concourse, for example: cafes, ATMs, reception and lifts.

The main public lifts are located directly behind the Mercy Street entrance reception desk.

Each ward and floor uses a number and letter sequence for identification. You may see something like this - L2.A.32 - this means Level 2, Ward A, Room 32.

An interactive wayfinding kiosk is located at the front entrance of the Bendigo Hospital to assist you.
