Queuing kiosk information

Bendigo Hospital self check-in kiosks are available for some patients when they attend hospital for an appointment. These queueing kiosks are located in a number of department reception areas, for example Clinics and Medical Imaging. When you arrive you can scan the barcode on your patient letter or scan your Medicare card. Patient arrival time and status is automatically processed at the kiosk. Further patient details can be checked upon card-swipe, including Medicare and DVA cards. If your appointment information is incorrect, you will be directed to the nearest reception desk.

Finding your way around the hospital

If you are unsure or require assistance, please visit the information desk located at the main entrance to the Bendigo Hospital. Alternatively, you can ask any of our friendly volunteers who are identified by a red shirt, or any staff member.

The internal street of the Bendigo Hospital runs from south to north on the ground floor. Most public services and facilities you will need to access are available here, for example: cafes, ATMs, reception and lifts.

The main public lifts are located directly behind the Mercy Street entrance reception desk.

Each ward and floor uses a number and letter sequence for identification. You may see something like this - L2.A.32 – this means Level 2, Ward A, Room 32.

Interactive wayfinding kiosks are located at the front and back entrances of the Bendigo Hospital to assist you. Another is located at the Level 2 entrance from the multi-storey car park.
