Bendigo Health

With more than 5000 staff and volunteers and covering an area a quarter of the size of Victoria, Bendigo Health, is an expanding regional health service offering the advantages of city life combined with the beauty and freedom that comes from living in a regional area.

Bendigo Health is a 700 bed service that treats more than 45,000 inpatients, triages more than 65,000 emergency attendees and welcomes more than 1,600 new born babies in a year. In addition more than 15,000 operations are performed in our operating theatres and more than 100,000 occasions of services are provided in our clinics to outpatients.

The organisation provides services in emergency, maternity, women's health, medical imaging, pathology, rehabilitation, community services, residential aged care, mental health, community dental, hospice/palliative care, cardiology, cancer services and renal dialysis to the people of the Loddon Mallee region.

With our main campus based in Bendigo, our services extend throughout the Loddon Mallee with sites in areas such as Mildura, Echuca, Swan Hill, Kyneton and Castlemaine.

Demand on services is increasing rapidly with Bendigo being one of Victoria's fastest growing regional cities.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community

PASSIONATE – We are passionate about doing our best

TRUSTWORTHY - We are open, honest and respectful

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

Clinical Operations Division

The Clinical Operations Division encompasses acute and mental health services. We provide a wide range of general medical, surgical and speciality services including; Oncology, Cardiology, Renal, Emergency, Women's and Children's, Critical Care, Specialist Clinics and Mental Health Services.

Within a state-of-the-art hospital, the team provides high-quality services using the latest technologies. Our eleven operating theatres (including two endoscopy rooms), critical care, emergency and women's wards all have access to critical services lifts that link to the helipad allowing rapid transfer of patients both in and out of the health service.

The Mental Health and Wellbeing Service provides psychiatric care and treatment across a large catchment area in Victoria stretching from Swan Hill in the north of the state to Gisborne in the south. Family sensitive practice is central to our models of mental health care and best practice ensures the identification, inclusion and support of families, carers and children.

The Swan Hill Adult Community Mental Health & Wellbeing Team

The team is part of Bendigo Health's Mental Health Department.

As well as providing a community based adult mental health service in Bendigo, our mental health department also has community based teams located in 5 rural areas throughout the region - Castlemaine, Kyneton, Maryborough in the South, and Echuca and Swan Hill in the North. These multidisciplinary teams provide care to persons living in their communities experiencing mental illness 25 - 64 years.

In the context of an integrated community mental health team, and under the direction of the manager and team psychiatrist, our rural based community mental health lead clinicians provide treatment and support that is recovery focused, during all stages of illness.

As well as providing proactive treatment and support in the community setting, lead clinicians remain involved in the care, treatment and discharge planning of their patients throughout any inpatient and/or residential admissions.

Our rural teams operate Monday to Friday, out of hours and weekend crisis assessment and treatment is managed through the Regional Psychiatric Triage Service.

The Position

In the context of an integrated community mental health team, and under the direction of the Manager, Senior Clinician and team Psychiatrist, the Community Mental Health Lead Clinician will provide assessment and treatment, psycho-education and support for patients of Mental Health and Wellbeing Services and their families /carer(s).

Responsibilities and Accountabilities

Key Responsibilities

In a multi-disciplinary integrated community mental health team, and under the direction of the Team Psychiatrist, Senior Clinician and Manager:

- Provide assessment and clinical treatment, including crisis assessment, intensive treatment, case management and support for patients, their families and carers
- Participate in a range of bio-psycho-social treatment modalities in the community
- Monitor treatment compliance and response to prescribed treatments and document and report changes to the team psychiatrist
- In consultation with the patient, family and carer(s), and other care providers, formulate, negotiate, document, monitor and maintain an individual Recovery Plan for each patient of the service, and complete other documentation, including Outcome Measures, as per service policy
- Identify, engage and include other key community agencies and service providers involved in the provision of rehabilitation, recovery, support, and discharge planning consistent with the patients and family/carer(s) needs
- Participate in Multi-disciplinary Team processes and provide sound discipline specific advice to other clinicians within the team and guidance to more junior staff and students
- Participate in personal and organisational development and training
- Depending on service requirements work flexible hours, as directed
- Perform other duties as directed

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.

Generic Responsibilities

Code of Conduct - The Victorian Government's Code of Conduct is binding on all Bendigo Health staff. Contravention of a provision in the code may constitute misconduct and/ or regarded as a breach of the employee's employment agreement and will be dealt with under the organisations Counselling and Disciplinary Action Policy.

Compliance with policies and procedures - All Bendigo Health's policies and procedures are set out in its clinical and managerial policy manuals located on the intranet under PROMPT and in hard copy. All staff must ensure they comply with policies, procedures and standard ways of work practices when carrying out their work. Any breach in compliance may result in disciplinary action.

Occupational Health and Safety - Every staff member has the responsibility to take reasonable care of their own health and safety and the safety of others, to cooperate with Bendigo Health's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. Any breach in compliance may result in disciplinary action.

Infection Control - Every staff member has the responsibility to minimise incidents of infection/ cross infection of residents, staff, visitors and the general public. All staff must adhere to the policies and procedures as set out in Bendigo Health's infection control manuals. Any breach in compliance may result in disciplinary action.

Confidentiality - All information concerning Bendigo Health, its patients, clients, residents and staff should remain strictly confidential. Any unauthorised disclosure of such information may result in disciplinary action.

Quality Improvement - Bendigo Health is dedicated to improving the quality and safety of health services by providing care within the following domains of quality: Consumer Participation, Clinical Effectiveness, Effective Workforce and Risk Management. As a result, we apply the concept of the quality cycle for all our quality activities, initiatives and projects thereby ensuring the best possible care and treatment results are achieved. The underlying principle of the cycle is that an activity is not complete until evaluation shows that it has been effective and reached the desired outcome. As a Bendigo Health employee you have a responsibility to participate in and commit to ongoing quality improvement activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Diversity – Each person has a right to high-quality health care and opportunities regardless of diversity factors, which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age and socio-economic status. Every staff member has a responsibility to recognise and respect diversity. Inclusiveness improves our service to our community and promotes engagement amongst staff.

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.
