Bendigo Health

With more than 4,500 staff and volunteers and covering an area a quarter of the size of Victoria, Bendigo Health, is an expanding regional health service offering the advantages of city life combined with the beauty and freedom that comes from living in a regional area.

Bendigo Health is a 700 bed service that treats more than 45,000 inpatients, triages more than 65,000 emergency attendees and welcomes more than 1,600 new born babies in a year. In addition more than 15,000 operations are performed in our operating theatres and more than 100,000 occasions of services are provided in our clinics to outpatients.

The organisation provides services in emergency, maternity, women's health, medical imaging, pathology, rehabilitation, community services, residential aged care, psychiatric care, community dental, hospice/palliative care, cardiology, cancer services and renal dialysis to the people of the Loddon Mallee region.

With our main campus based in Bendigo, our services extend throughout the Loddon Mallee with sites in areas such as Mildura, Echuca, Swan Hill, Kyneton and Castlemaine.

Demand on services is increasing rapidly with Bendigo being one of Victoria's fastest growing regional cities.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community

PASSIONATE – We are passionate about doing our best

TRUSTWORTHY - We are open, honest and respectful

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

The Clinical Governance Division

Clinical Governance is focused on upholding patient safety and a high quality of service through leadership, quality improvements, clinical performance, risk management, professionalism and excellent patient care. The division collaboratively provides high quality clinical governance support and advice, both internally and when supporting our regional Health Service Partners.

The Chief Medical Officer (CMO) oversees: GP Liaison, Medical Imaging incorporating BreastScreen, Pharmacy, Pathology and Research the Quality and Risk functions and Care of the Deceased.

The CMO has responsibility for maintaining full compliance to accreditations and to deliver improvements through our response to the recommendations of both the national and Victoria's General Quality and Safety reviews. The Office of the CMO oversees incident reporting, investigation of adverse patient events and complaints regarding clinicians. The CMO provides leadership and support to the medical workforce to feel empowered to provide Excellent Care. Every Person. Every Time.

The Medical Imaging Team

The Medical Imaging team performs a full range of diagnostic Imaging examinations to a consistently high standard using a patient focused approach. The team complete around 110,000 examinations per year, as well as providing breast screen services to the Bendigo, Echuca and Mildura regions.

Imaging services are provided to inpatients and emergency department patients, as well as to outpatients referred from Health Service clinics, local GPs and specialists. The department is staffed by radiologists, medical imaging technologists, nurses and administration staff.

Medical Imaging services are available 24 hours a day, 365 days a year for urgent cases. Imaging services provided include:-

- General radiography (x-ray)
- Fluoroscopy
- Mammography
- DEXA
- MRI
- CT scanning
- Ultrasound (all general, obstetric, small parts, musculo-skeletal and vascular examinations)
- Digital Subtraction Angiography
- Intra-operative and interventional work
- Mobile x-ray and fluoroscopy

The Position

The MIT will work as part of a multidisciplinary team, performing a full range of diagnostic imaging examinations to a consistently high standard using a patient focused approach. They will be a mentor to under graduate students and to other Imaging staff.

All Bendigo Health staff should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

Responsibilities and Accountabilities

Key Responsibilities

- Operate within the legal boundaries and Codes of Practice that govern the Imaging industry
- Demonstrate a raised level of technical ability and skills in the production of the highest quality diagnostic images that are reasonably achievable given the patient condition and in accordance with the ALARA principles
- Ensure all examinations are performed efficiently with timing governed by clinical and patient need
- Ensure all examinations are presented for reporting with minimum delay and with accurate recording of associated details
- Be willing and available to perform all shifts and recall as required
- Provide constructive feedback to junior staff with regard to image technique quality and patient care.
- Recognise and report adverse events
- Collaborate with all multidisciplinary team members for the desired outcomes for patients
- Act as a mentor or preceptor to less experienced MIT's, including interns and students
- Conduct yourself in a manner that will not endanger yourself or others
- Contribute to safety awareness and promotion by contributing ideas and suggestions
- Report all radiation incidents immediately to the Radiation Safety Officer or Director Medical Imaging

Generic Responsibilities

Code of Conduct - The Victorian Government's Code of Conduct is binding on all Bendigo Health staff. Contravention of a provision in the code may constitute misconduct and/ or regarded as a breach of the employee's employment agreement and will be dealt with under the organisations Counselling and Disciplinary Action Policy.

Compliance with policies and procedures - All Bendigo Health's policies and procedures are set out in its clinical and managerial policy manuals located on the intranet under PROMPT and in hard copy. All staff must ensure they comply with policies, procedures and standard ways of work practices when carrying out their work. Any breach in compliance may result in disciplinary action.

Occupational Health and Safety - Every staff member has the responsibility to take reasonable care of their own health and safety and the safety of others, to cooperate with Bendigo Health's OH&S policies and to

participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. Any breach in compliance may result in disciplinary action.

Infection Control - Every staff member has the responsibility to minimise incidents of infection/ cross infection of residents, staff, visitors and the general public. All staff must adhere to the policies and procedures as set out in Bendigo Health's infection control manuals. Any breach in compliance may result in disciplinary action.

Confidentiality - All information concerning Bendigo Health, its patients, clients, residents and staff should remain strictly confidential. Any unauthorised disclosure of such information may result in disciplinary action.

Quality Improvement - Bendigo Health is dedicated to improving the quality and safety of health services by providing care within the following domains of quality: Consumer Participation, Clinical Effectiveness, Effective Workforce and Risk Management. As a result, we apply the concept of the quality cycle for all our quality activities, initiatives and projects thereby ensuring the best possible care and treatment results are achieved. The underlying principle of the cycle is that an activity is not complete until evaluation shows that it has been effective and reached the desired outcome. As a Bendigo Health employee you have a responsibility to participate in and commit to ongoing quality improvement activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Diversity – Each person has a right to high-quality health care and opportunities regardless of diversity factors, which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age and socio-economic status. Every staff member has a responsibility to recognise and respect diversity. Inclusiveness improves our service to our community and promotes engagement amongst staff.

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.

Key Selection Criteria

Essential

1. Demonstrated high level experience and skills in general radiology, trauma radiology, CT, mammography or MRI
