## Bendigo Health

Bendigo Health is a leading regional health service, learn more about us by visiting our website: [Bendigo Health Website - About Bendigo Health](#)

As an organisation we are committed to delivering safe, inclusive and high-quality care to our diverse communities across the Loddon Mallee Region. We value and respect the unique backgrounds, cultures and experiences of the people we serve and those who work with us.

We are a proud child safe organisation, dedicated to the safety, wellbeing and voice of all children and young people. We are committed to creating a culturally safe and welcoming environment where Aboriginal and Torres Strait Islander peoples—adults, children and families—are respected, supported and empowered to express and celebrate their culture.

## Our Vision

To be a trusted regional healthcare service recognised for delivering exceptional care, being a great place to work, and being deeply connected to our community.

## Our Values

**PASSIONATE** – We are passionate about doing our best – for our patients, our colleagues and our community.

**ACCOUNTABLE** – We take ownership of our actions and outcomes, always striving for integrity and improvement.

**CARING** – We care deeply for our community – and our community cares for us. Compassion is at the heart of everything we do.

**TRUSTWORTHY** - We are open, honest and respectful in all that we do – earning the trust placed in us every day.

## The Position

The Medical Infusions Nurse Co-ordinator (MINC) will provide co-ordination of care, support and education to patients ensuring seamless access to treatments for chronic diseases (medical infusions) in a timely manner within the Cancer Centre. The MINC will:

- Assess, manage and coordinate the individual needs of new patients referred to the unit. This involves coordinating treatment bookings within CHARM (Oncology Electronic Medication Prescribing system) and other related appointments
- Be responsible for the scheduling and planning of existing patients within CHARM
- Be responsible for triaging and managing phone calls, emails and other enquiries not related to the current day.
- Work closely with the CHARM Project Officer (CPO) coordinating and updating treatment pathways, providing training and support to clinical staff and attend meetings as appropriate
- The MINC will provide support to satellite chemotherapy units within the Loddon Mallee region who provide a similar service
- Establish relationships with metropolitan and regional hospitals in shared care coordination of treatment bookings where relevant

The MINC will work closely with visiting General Medicine, Medical Oncologists, VMO's, staff specialists, Haematologists, Oncology and Haematology registrars, Radiation therapists, Oncology Nurse Practitioner, Oncology nursing staff and allied health teams to ensure that high level patient care needs are met promptly and managed in accordance within Bendigo Health policies and procedures. Co-ordination of clinical information sharing in a timely manner will ensure better patient outcomes.

The MINC would be situated within the Cancer Centre operating Monday to Friday. The role will report to the Nurse Unit Manager – Cancer Services.

## Responsibilities and Accountabilities
