## Bendigo Health

With more than 4,500 staff and volunteers and covering an area a quarter of the size of Victoria, Bendigo Health, is an expanding regional health service offering the advantages of city life combined with the beauty and freedom that comes from living in a regional area.

Bendigo Health is a 700 bed service that treats more than 45,000 inpatients, triages more than 65,000 emergency attendees and welcomes more than 1,600 new born babies in a year. In addition more than 15,000 operations are performed in our operating theatres and more than 100,000 occasions of services are provided in our clinics to outpatients.

The organisation provides services in emergency, maternity, women's health, medical imaging, pathology, rehabilitation, community services, residential aged care, psychiatric care, community dental, hospice/palliative care, cardiology, cancer services and renal dialysis to the people of the Loddon Mallee region.

With our main campus based in Bendigo, our services extend throughout the Loddon Mallee with sites in areas such as Mildura, Echuca, Swan Hill, Kyneton and Castlemaine.

Demand on services is increasing rapidly with Bendigo being one of Victoria's fastest growing regional cities.

## Our Vision

Excellent Care. Every Person. Every Time.

## Our Values

CARING – We care for our community

PASSIONATE – We are passionate about doing our best

TRUSTWORTHY - We are open, honest and respectful

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

## The Clinical Operations Division

The Clinical Operations Division encompasses acute, allied health, cancer and mental health services. We provide a wide range of general medical, surgical and specialty services including but not limited to; Oncology, Cardiology, Renal, Emergency, Women's and Children's, Critical Care, Specialist Clinics, Cancer Clinics and Mental Health Services. Our Allied Health teams provide a diverse range of programs and person centred care in inpatient, outpatient, community, home and residential care settings.

Within a state-of-the-art hospital, our Ambulatory and Critical Care, Medical Services, Surgical Services and Women's and Children's areas use the latest technologies to provide excellent care. Our world class Cancer Centre uses a multi-disciplinary, integrated approach to treat specific cancers. The Cancer Centre offers medical oncology, radiation oncology, specialist nurses, clinical trials and cancer research, palliative care, and a Cancer Wellness Program.

The Mental Health Service provides psychiatric care and treatment across a large catchment area in Victoria stretching from Swan Hill in the north of the state to Gisborne in the south. Family sensitive practice is central to our models of mental health care and best practice ensures the identification, inclusion and support of families, carers and children.

Each year our onsite Specialist Clinics provide over 100,000 service events, we also see more than 60,000 people in our Emergency Department and welcome around 1700 babies into the world. The Clinical Operations Division assists with the admission of more than 50,000 patients into the hospital each year.

The Allied Health and Continuing Care Directorate offers a diverse range of programs and services which provide high-quality person-centred care to clients and consumers in inpatient, outpatient, and community settings.

Our services include:

- Allied Health
- Community and Ambulatory Care
- Community Dental Services
- Referral Centre
- Rehabilitation, Geriatric and Palliative Medicine

The Allied Health team at Bendigo Health comprises over 400 staff including Audiology, Dietetics, Exercise Physiology, Occupational Therapy, Physiotherapy, Podiatry, Psychology/Neuropsychology, Social Work, Speech Pathology, Spiritual Care and Allied Health Assistance. Allied Health clinicians work in a very broad range of roles and are valued in the contribution they make to the multi-disciplinary team.

## The Nutrition and Dietetics Department

The Nutrition and Dietetics team, as part of the allied health team, is focused on achieving the best outcomes for clients and patients, using evidenced based principles. The Nutrition and Dietetics team comprises approximately 34 staff and provides services in acute, sub-acute, and residential and community-based settings. Nutrition and Dietetic Services aims to assist in optimising patients, residents and client's health, nutritional status and quality of life. This service is provided to inpatients and outpatients, residential care, psychiatric services, home visits and outreach services to community clients. Dietitians perform nutrition

assessments, prescribe therapeutic diets and/or nutrition support and provide dietary counselling and education.

## The Position

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement and the Allied Health Grade Level Capabilities: Grade 3 Allied Health Professional. Please refer to links provided to these documents.

The Grade Three Dietitian is responsible for the provision of Nutrition & Dietetics Services within a designated clinical caseload, appropriate to their level of experience and competency. Grade Two level Dietitian are required to display autonomy of practice, whilst also contributing constructively to the interdisciplinary team.

The purpose of this position is to:

- Provide best practice client centred clinical care to clients within the designated caseload in Nutrition and Dietetics Community Health services of Bendigo Health
- Contribute to the development of the Community Health Nutrition & Dietetics service, as well as the general Nutrition and Dietetics department as appropriate.

## Required Capabilities for Allied Health

Further to the key responsibilities outlined in this position description, Allied Health staff are required to demonstrate the capabilities outlined in the Bendigo Health Allied Health Grade Level Capabilities.

## Generic Responsibilities

**Code of Conduct** - The Victorian Government’s Code of Conduct is binding on all Bendigo Health staff. Contravention of a provision in the code may constitute misconduct and/ or regarded as a breach of the employee’s employment agreement and will be dealt with under the organisations Counselling and Disciplinary Action Policy.

**Compliance with policies and procedures** - All Bendigo Health's policies and procedures are set out in its clinical and managerial policy manuals located on the intranet under PROMPT and in hard copy. All staff must ensure they comply with policies, procedures and standard ways of work practices when carrying out their work. Any breach in compliance may result in disciplinary action.

**Occupational Health and Safety** - Every staff member has the responsibility to take reasonable care of their own health and safety and the safety of others, to cooperate with Bendigo Health's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. Any breach in compliance may result in disciplinary action.

**Infection Control** - Every staff member has the responsibility to minimise incidents of infection/ cross infection of residents, staff, visitors and the general public. All staff must adhere to the policies and procedures as set out in Bendigo Health's infection control manuals. Any breach in compliance may result in disciplinary action.

**Confidentiality** - All information concerning Bendigo Health, its patients, clients, residents and staff should remain strictly confidential. Any unauthorised disclosure of such information may result in disciplinary action.

**Quality Improvement** - Bendigo Health is dedicated to improving the quality and safety of health services by providing care within the following domains of quality: Consumer Participation, Clinical Effectiveness, Effective Workforce and Risk Management. As a result, we apply the concept of the quality cycle for all our quality activities, initiatives and projects thereby ensuring the best possible care and treatment results are achieved. The underlying principle of the cycle is that an activity is not complete until evaluation shows that it has been effective and reached the desired outcome. As a Bendigo Health employee you have a responsibility to participate in and commit to ongoing quality improvement activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

**Diversity** – Each person has a right to high-quality health care and opportunities regardless of diversity factors, which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age and socio-economic status. Every staff member has a responsibility to recognise and respect diversity. Inclusiveness improves our service to our community and promotes engagement amongst staff.

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.

## Key Selection Criteria

### Essential

1. A degree in Nutrition and Dietetics or equivalent tertiary qualification with the ability to satisfy the requirements of the Bendigo Health Allied Health Credentialing and Professional Standards document, including evidence of eligibility for membership of Dietitians Australia
2. At least 7 years' experience relevant to discipline in an acute hospital /food service setting

3. Demonstrated high level understanding of contemporary practice and principles and evidence based service delivery models for Nutrition and Dietetics
4. Demonstrated ability to work collaboratively with multidisciplinary teams to deliver safe consumer-focused care, providing high levels of specialist knowledge
5. Demonstrated ability to work autonomously with highly developed skills in organisation, time management, planning and priority setting
6. Demonstrated highly developed verbal and written communication skills with the ability to interact effectively with patients, carers, staff and the community

## Desirable

7. Demonstrated leadership in innovative approaches to problem solving for individual consumers and/or service delivery, using highly specialised clinical skills or knowledge
8. Demonstrated commitment to continuous service improvement and demonstrated experience in the leadership, evaluation and implementation of quality improvement or research activities
9. Demonstrated motivation to strive for excellence
10. Demonstrated ability to build and sustain positive working relationships

## Mandatory Requirements

**National Police Record Check** A current and satisfactory National Police Record Check must be completed by all new staff prior to commencement at Bendigo Health.

**Immunisation** As a health provider dedicated to providing quality client care, we all need to be aware of the critical importance of infection control. Each staff member has a responsibility to comply with Bendigo Health's Staff Immunisation Policy and various infection control policy and procedures. All staff are required to provide evidence of vaccinations prior to commencement at Bendigo Health

**Working with Children Check** Bendigo Health has a responsibility to provide a child safe environment. This position is a defined "child-related role" at Bendigo Health. As such you must maintain a valid working with children check. In addition, you will be required to assist Bendigo Health in providing a child safe environment by participating in any training or reporting required to ensure the protection of children in our care.

**Registration with Professional Regulatory Body or relevant Professional Association** For example, AHPRA, AHRI, RACS etc. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.

*All Bendigo Health sites, workplaces and vehicles are smoke free.*

*This position description is intended to describe the general nature and level of work that is to be performed by the person appointed to the role. It is not intended to be an exhaustive list of all responsibilities, duties and skills required. Any elements of this document may be changed at Bendigo Health's discretion and activities may be added, removed or amended at any time.*
