Bendigo Health

With more than 5,000 staff and volunteers and covering an area a quarter of the size of Victoria, Bendigo Health, is an expanding regional health service offering the advantages of city life combined with the beauty and freedom that comes from living in a regional area.

Bendigo Health is a 700 bed service that treats more than 45,000 inpatients, triages more than 65,000 emergency attendees and welcomes more than 1,600 new born babies in a year. In addition more than 15,000 operations are performed in our operating theatres and more than 100,000 occasions of services are provided in our clinics to outpatients.

The organisation provides services in emergency, maternity, women's health, medical imaging, pathology, rehabilitation, community services, residential aged care, psychiatric care, community dental, hospice/palliative care, cardiology, cancer services and renal dialysis to the people of the Loddon Mallee region.

With our main campus based in Bendigo, our services extend throughout the Loddon Mallee with sites in areas such as Mildura, Echuca, Swan Hill, Kyneton and Castlemaine.

Demand on services is increasing rapidly with Bendigo being one of Victoria's fastest growing regional cities.

Our Vision

Excellent Care. Every Person. Every Time.

Our Values

CARING – We care for our community

PASSIONATE – We are passionate about doing our best

TRUSTWORTHY - We are open, honest and respectful

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement. Refer to link at top of page.

The Community and Continuing Care Division

The Community and Continuing Care Division provides a broad range of high-quality, person-centred care programs and services to consumers in inpatient, outpatient, and community settings. Each service within the division is designed to ensure holistic care and improve the overall well-being of our patients and communities.

The Community Services team is dedicated to enhancing the health and wellbeing outcomes of the communities in the Loddon Mallee with six regional offices. This team includes: Aged Care Assessment undertaken on behalf of My Aged Care; Community Allied Health; Community Care; Carer Support and Community Nursing & Home Care.

The Continuing Care team delivers high-quality services across the Loddon Mallee region including: Dental Care; Chronic Disease Management; Outpatient Rehabilitation; Support for People Transitioning Home; Diabetes Management and Geriatric Management and Assessment.

The Allied Health team provides comprehensive, high-quality care across the continuum, including expert services in: audiology, dietetics, exercise physiology, occupational therapy, physiotherapy, podiatry, psychology, social work, speech pathology and allied health assistants who work with these disciplines.

The Geriatric Medicine Team includes Geriatricians, Rehabilitation physicians, Palliative care physicians, registrars and junior medical staff. The Team work across inpatients, outpatients and home settings.

In addition, the Community and Continuing Care Division holds the professional portfolio of Chief Allied Health Officer. The Chief Allied Health Officer and allied health discipline managers provide professional governance for all allied health across Bendigo Health.

The Outpatient Rehabilitation Services Department

The Outpatient Rehabilitation Services (OPRS) Team is located at the Clinical Services Campus in Bendigo and at the Stewart Cowen Community Rehabilitation Centre (SCCRC) in Eaglehawk.

The team provides specialist outpatient rehabilitation to children and adults in the Bendigo and Northern Victorian Region. Rehabilitation is time limited, goal orientated and aimed at maximising potential and quality of life and can be provided either in the centre or in the client's home.

Most clients receive a range of services including:

- Physiotherapy
- Occupational therapy
- Speech pathology
- Social work
- Nursing
- Medical
- Podiatry
- Psychology and neuropsychology
- Exercise physiology
- Dietetics

There are over 110 OPRS staff who work as multidisciplinary teams and are each operationally managed by a stream leader. There are 6 streams, with each stream comprising of differing clinics/areas of work.

The Position

All staff at Bendigo Health should have, or aspire to the personal qualities, knowledge and skills as described in the Bendigo Health Staff Capabilities Statement and the Allied Health Grade Level Capabilities: Grade 2 Allied Health Professional. Please refer to links provided to these documents.

The Grade Two Speech Pathologist is responsible for the provision of Speech Pathology Services within a designated clinical caseload, appropriate to their level of experience and competency. Grade Two level Speech Pathologists are required to display autonomy of practice, whilst also contributing constructively to the multi-disciplinary team.

The purpose of this position is to:

- provide best practice client centred clinical care to clients within the Neurological stream within OPRS at Bendigo Health. There may be opportunities or a requirement for staff to work across other OPRS clinics, dependent on clinical skills and/or department need.
- The position will support client assessment, care planning, and provision of goal-oriented rehabilitation interventions as one to one intervention or in group-based formats to a high degree of efficiency and effectiveness.
- Contribute to the development of the Outpatient Rehabilitation Service, as well as the general Speech Pathology department as appropriate.
- OPRS operating hours are 8:00am - 5.30pm. Staff are required to work until 5.30pm one day/week.

Required Capabilities for Allied Health

Further to the key responsibilities outlined in this position description, Allied Health staff are required to demonstrate the capabilities outlined in the Bendigo Health Allied Health Grade Level Capabilities.

Generic Responsibilities

Code of Conduct - The Victorian Government's Code of Conduct is binding on all Bendigo Health staff. Contravention of a provision in the code may constitute misconduct and/ or regarded as a breach of the employee's employment agreement and will be dealt with under the organisations Counselling and Disciplinary Action Policy.

Compliance with policies and procedures - All Bendigo Health's policies and procedures are set out in its clinical and managerial policy manuals located on the intranet under PROMPT and in hard copy. All staff must ensure they comply with policies, procedures and standard ways of work practices when carrying out their work. Any breach in compliance may result in disciplinary action.

Occupational Health and Safety - Every staff member has the responsibility to take reasonable care of their own health and safety and the safety of others, to cooperate with Bendigo Health's OH&S policies and to participate in appropriate safety education and evaluation activities. All staff are expected to participate in reporting any health, safety and wellbeing issues. Any breach in compliance may result in disciplinary action.

Infection Control - Every staff member has the responsibility to minimise incidents of infection/ cross infection of residents, staff, visitors and the general public. All staff must adhere to the policies and procedures as set out in Bendigo Health's infection control manuals. Any breach in compliance may result in disciplinary action.

Confidentiality - All information concerning Bendigo Health, its patients, clients, residents and staff should remain strictly confidential. Any unauthorised disclosure of such information may result in disciplinary action.

Quality Improvement - Bendigo Health is dedicated to improving the quality and safety of health services by providing care within the following domains of quality: Consumer Participation, Clinical Effectiveness, Effective Workforce and Risk Management. As a result, we apply the concept of the quality cycle for all our quality activities, initiatives and projects thereby ensuring the best possible care and treatment results are achieved. The underlying principle of the cycle is that an activity is not complete until evaluation shows that it has been effective and reached the desired outcome. As a Bendigo Health employee you have a responsibility to participate in and commit to ongoing quality improvement activities using the framework of the NSQHSS (National Safety and Quality Health Service Standards).

Diversity – Each person has a right to high-quality health care and opportunities regardless of diversity factors, which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age and socio-economic status. Every staff member has a responsibility to recognise and respect diversity. Inclusiveness improves our service to our community and promotes engagement amongst staff.

Employees are required to carry out lawful directions outlined above or delegated to them. The work to be performed is set out in this position description and, where relevant, any professional standards and codes of conduct and ethics issued by the relevant professional association.
