

Medical Career Pathways with Bendigo Health

General Stream HMO – PGY2+

This General HMO position is suitable for applicants seeking a 12 month position within a sought after regional health service. Rotations will consist of four, thirteen week rotations in a range of general and specialty areas. Rotations will be matched to candidates to best suit career objectives wherever possible and each HMO will be allocated either a relief term or service rotation.

These may include:

- Emergency Medicine
- GEM on Acute
- General Medicine
- General Medicine at Echuca Regional Health
- General Medicine at Swan Hill District Health
- General Surgery
- Intensive Care Medicine (ICU)
- Obstetrics & Gynaecology (advanced diploma available)
- Oncology
- Paediatrics
- Palliative Care
- Psychiatry
- Rehabilitation and Geriatric Medicine at Castlemaine Health
- Relief Term

Positions available

- 49 HMO Positions – recruited through the PMCV HMO Match process

Teaching Opportunities

- Regularly unit based education and training is available to all JMOs.
- Supported attendance for weekly Intern Education and fortnightly HMO Education
- Participation in quality and research activities.
- Supervisors of Training and Directors of Training available to provide support and guidance.
- Support to take Professional Development leave to attend relevant courses and conferences.
- JMOs are supported to provide education to others including other professionals
- Multidisciplinary team education and training is provided.

Training Pathway

Excellent Care. Every Person. Every Time.

Career Progression at Bendigo Health can include PGY2/3 and registrar positions that will assist in meeting the criteria for college training. The General Stream positions are suitable for HMOs that are wanting to experience a range of rotations in a number of specialty areas either to meet college requirements or to expand their overall medical knowledge and skills for the progression of their career. The General Stream position can lead into a number of registrar positions at Bendigo Health if the HMO is seeking a regional/rural career long term.
