

The Loddon Mallee Health Network

HMO2 General Practice and Rural Generalist Pathway

LODDON MALLEE

Design, tailor and build your own pathway – In the Loddon Mallee

The Loddon Mallee is offering a UNIQUE opportunity for our junior doctors entering their HMO2 Year in 2023. You could choose to work across multiple sites undertaking various rotations in 2023 that will further your Rural Generalist Journey. Opportunities may also be available for a 2 year contract to undertake an advanced skill year within your area of interest for 2024. *Not suitable to Level 1 registration.

The region has a commitment to furthering the quality and safety of health care provision. As such the driving force for the creation of the Loddon Mallee Health Network (LMHN) was to ensure a great person centered care experience across the entire region, a first of its kind in the state of Victoria.

LMHN Values: Respect, Integrity and Collaboration
